AQUA SOLUTIONS PROUDLY JOINS THE FLORIDA WATER QUALITY ASSOCIATION'S BOARD OF DIRECTORS

The New Board Was Recently Introduced at the Annual FWQA Conference in Orlando

Improving water quality for our customers is the reason we wake up each morning. Aqua Solutions offers 40 years of experience in south Florida, industry leading sales and service and the many advantages of GE Platinum Dealer status. This dedication to the water filtration industry has culminated with the appointment of Forrest Vincent, President of Aqua Solutions, to the Board of Directors of the Florida Water Quality Association (FWQA).

"I have been a member and supporter of the FWQA for many years," said Forrest Vincent. "It is an honor to be selected to serve on the Board of Directors and I look forward to working with my fellow Board members throughout the state, while also serving the members of our important Association."

At left the FWQA Board of Directors.
Front row- Left to Right - Ray Gregory, Cindy Gresham, Doug Haring, and Dan Story
Back row - Sandy Eaton, Denny Mahle, Jeff Gassaway, Mark Kinder, and Forrest Vincent of Aqua Solutions
Not pictured- Ted Dyer

The mission of the FWQA is to promote increased use of industry products and services, to foster and maintain the professional competency of water treatment professionals, and work with governments, other organizations and the public on issues affecting water quality.
